Since 1970 our love for the game has inspired us to make the best hats for the most demanding of uses; on-field baseball. We’ve taken everything we’ve learned and applied our shapes, fits, and innovative features to performance outdoor and lifestyle headwear, designed to be worn everywhere and anywhere.

EMBROIDERY DIRECT

The rich look of direct embroidery is a proven decoration method commonly used on baseball style caps. Whether it's your own custom logo or one of our stock name drops, mascots or team letters, our direct embroidery will make your cap stand out. We also specialize in raised, 3D embroidery.

- Best for bold designs with a medium level of detail
- Available in standard or raised 3D. Not all designs can be produced in 3D
- Max Size: Varies by cap style, but 2 \( \frac{1}{8} \)" H X 4 \( \frac{1}{2} \)" W is the standard max size for cap front position
